

Our Facilities

The horses are accommodated in spacious stables in popular American-barn style buildings with easy access to heated tack rooms, washdown areas, horse solarium and all arenas.

We offer:

- 24-hour care and supervision by our qualified and friendly staff
- Individual feeding programme for each horse
- Dedicated staff members responsible for individual horses
- Use of all facilities, including indoor and outdoor arenas for training
- On-site training with resident coaches and visiting clinicians
- Professional riders to compete your horse on your behalf
- Grooms available for assistance at competitions, both at home and away
- Floodlit parking facilities on hard surfaces for owners' horseboxes and trailers
- Regular affiliated and unaffiliated show jumping and dressage competitions
- Client rest areas include shower room / changing facility / microwave / stereo / coffee & tea making facilities
- All horses are on a regular worming programme
- Special trot up area for vet checks
- Vet's examination area
- Each stable block is fully equipped with First Aid boxes for humans and horses
- We will assist you with competition preparation that includes warming up and groom services
- All arenas are groomed daily
- Public Liability Insurance
- Farrier Bay with cross ties
- We work very closely with our local vets - Ardene House Veterinary Hospital
- Stable block and fire exits are fitted with emergency exit signs, that light up in the dark
- Fire extinguishers and hoses in and around the centre
- Large floodlit all-weather surface arena
- Indoor arena
- BS and training show jumps
- Small cross country fences and ditches
- Monarch illuminated horsewalker
- Secure heated tack rooms and rug area
- 24-hour security with award-winning CCTV system
- All year turnout in well-maintained paddocks with post-and-rail fencing, all fitted with electric fences
- Easy access to a variety of off-road hacking
- Rug & tack washing facilities on site
- Horse Solarium with washdown bay
- Automatic Water System in every stable
- Onsite yard manager and yard staff
- Horses are checked over daily including their stable, bedding, legs and rugs
- Most stables have anti weave sliding doors
- Most stables have their own window
- Sealed Rubber flooring or rubber mats in most stables
- Stable block and tack rooms are fully alarmed and covered by CCTV
- Separate storage for the client's spare tack and rugs
- Isolation box
